**The rental fee includes coverage for minor repairs and adjustments (bent keys, stuck valves, lost pads, etc.) during the rental period. All other necessary repairs are charged to renter at normal repair rates.*

***This protects renter from the costs of serious damage, i.e. broken /missing parts. This does not include broken strings for which renters are responsible. Attempts at repair, intentional engravings or vandalism negates this coverage. Renter is then charged for repairs at normal repair rates. Full replacement value is charged to renter for instruments that are "totaled" or lost or stolen.*
